Cox, Maizey Mae (17)

First Swim Meet of the Season

As we gear up for our first swim meet of the season, I just want to say thanks for being patient and understanding. I'm still learning about what each of you is best at, and I'm committed to putting everyone in events where you can really shine and help our team succeed.

Event Setup

We've sorted out the events for this meet, focusing on those that will help us keep up our winning tradition. Let's aim to score big and show off our skills.

Exhibition Swims

If you see an "E" next to an event, it means it's an Exhibition swim. These won't be scored, but they're a fantastic chance for everyone to jump in and feel the rush of competition. It's all about getting involved and gaining experience, which is super important for personal growth and team spirit.

No Times (NT)

Right now, some events will have "NT" for No Times. This is just temporary. As the season rolls on, we'll work on getting official times for everything.

Divers and Open Events

Our divers are in the "0" open event. This helps us keep track of their performances in our system.

Event Challenges

I want everyone to push themselves during practice. Challenge your "times/events" so you can get into the events where you think you can score points for our school. This will boost your performance and make our team even stronger.

Let's kick off this season with an awesome meet, packed with personal bests and unforgettable moments.

USA Swimmer Information

If your swimmer is part of USA Swimming, please update their USA ID on our website. This will synchronize their records, ensuring that their best times are accurately reflected and helping us avoid "No Times" (NT) in our records.
