### **CVST PARENTS CODE OF CONDUCT / CODE OF ETHICS (From the CVST Handbook)**

I hereby pledge to provide positive support, care and encouragement for my child/children participating on the Carrollwood Village Swim Team by following this code of ethics.

I will encourage good sportsmanship by demonstrating positive support for all swimmers, coaches, and officials, at every meet, practice or other youth sport event.

I will place the emotional and physical well-being of my child/children ahead of any personal desire to win.

I will insist that my child/children participate in a safe and healthy environment.

I will provide support for coaches and officials working with my child/children to provide a positive enjoyable experience for all.

I will demand a drug, alcohol, and tobacco-free sports environment for my child/children and agree to assist by refraining from their use, within the immediate activity area, at all youth sports events.

I will remember that age group swimming is for children and not for adults.

I will do my very best to make age group swimming fun for my child/children.

I will ask my child/children to treat other swimmers, coaches, spectators, and officials with respect regardless of race, sex, creed, or ability.

I will promise to help my child/children enjoy the swimming experience within my personal constraints by assisting with the CVST Parent Board, being a respectful spectator, providing transportation or whatever I am capable of doing.

I will adhere to all Carrollwood Country Club, USA Swimming and CVST Rules and Regulations.

I will keep my account information updated and fees current each month.

I will abide by all CVST Family and Fundraising Commitments as described in the CVST Registration Information Packet.

I will understand and sign all required forms including but not limited to MAAPP.

I will keep current with SafeSport and complete the Safe Sport for Parents Course.
