

Protection of Athlete Action Plan for recourse

We take athletes safety seriously. The protection of all athletes is paramount to our organization and pipeline. Our focus is to foster a safe environment where the kids are free to be themselves behave in a way that is appropriate for a team which is really an extension of the family any and all potential incidents are required to be reported to Patrick piper the CEO of pipeline swimming or Renee piper IE coach piper head coach and business partner with Patrick piper in pipeline swimming.

1. All reported incidents will be documented on a hard copy written photocopied and digital copies sent to safe sport at USA Swimming.
2. Authorities and Parents will be notified as a standard.
3. Documentation will be provided to authorities and parents
4. The person in question with the allegation against them will be subject to questioning by the proper authority. This will be done by professionals, taking this out of pipelines hands and moving it to the state county as designated by our state
5. At no time will either party be put into the same room together questioned by a pipeline personnel member.
6. Resolution of this issue will be determined by and in writing from the proper authority who oversees the offense based on our county and state guidelines such results will be submitted to USA Swimming and save support for protection of the athlete
