

EVERYONE MUST CREATE A NEW ACCOUNT ON THIS SITE
which will be linked to your USAS membership later in the process.
YOUR OLD MEMBERSHIP ID’S WILL NO LONGER BE USED.

- Parents with minor children need to create an account for themselves first and add their children to their account later in the process at which time they will pay for their swimmers’ memberships.
- All current members should have been assigned a new member ID and must request and search for it once the account has been created.
