

2025 WFLA Summer League Program

We are excited to announce that our 2025 summer league program will return to Ridgecrest YMCA located at 1801 119th Street, Largo, FL 33778. For those unfamiliar with the YMCA, it is 5 minutes from Southwest Rec. and is a very nice 6 lane x 25-yard pool with a great staff and nice facilities. The folks at Ridgecrest have been wonderful over the years we have been there over the summer months. The program will start on Tuesday, June 2nd and will run through August 1st. We will offer both a.m. and p.m. workout times. Our morning workouts will go Monday through Thursday 8:30 – 10:00 a.m. and our evening workouts Monday through Thursday 6:00 – 7:15 p.m. We will offer mini meets on Friday evenings throughout the season as well as some dual meets with local teams which will provide a fun and low-key competitive opportunity for your swimmers to learn and race. Our summer league swimmers will be invited to attend the Area 3 meet in St. Petersburg at the end of July as well. The WFLA summer league program is run by the Nick Radford, who has been coaching our summer league program for the last two years and was also a coach with Indian Rocks Christian School this past year.

The fees for joining the team this year are \$190 which covers coaching fees and a seasonal USA Swim membership (your child's insurance and allows them to compete in meets such as Area 3). In addition, as we are at the YMCA, each swimmer needs to get a \$20 annual membership to the YMCA. This will allow them to participate in our program, as well as use the YMCA facilities at other times throughout the year. Each mini meet will be \$5.00 payable upon entry to the meet. This goes to cover awards. Please turn in your registration forms to a coach on deck at Ridgecrest YMCA between 3:00 and 6:30 p.m. Monday through Friday, or mail to 11468 87th Ave., Seminole, FL 33772. Your \$190 registration fee should be made out to WFLA and should accompany your form. Your YMCA membership can be purchased at Ridgecrest YMCA. Each swimmer will receive a summer league cap with their registration.
