2024 Summer Swim Team

May 29, 2024—July 17, 2024

Practices (excluding Holidays and Meet Days):

Monday / Wednesday / Friday—5-6:30PM

Welcome to the Team!

Lanier Aquatics (LA), a local youth swim team program, has been in existence in the Gainesville/Hall County area for more than fifty years and was originally known as the Gainesville Swim Team, becoming Lanier Aquatics in the 90's. LA has historically been one of the best small club teams (fewer than 100 swimmers) in the state and consistently places in the top three at the Georgia State Championships every year. LA has had Junior and Senior National qualifiers, Olympic Trials qualifiers and many swimmers that have moved on to college programs including UGA, Auburn, Ga. Tech, West Point, Air Force Academy, NC State, Nova, Tampa, Brenau, UNCA, Cornell and many others.

Coaches:

- ◆ Head Coach Crystal Tavares has been with LA since October of 2016. She comes to LA from Central Florida where she ran the Kissimmee Swim Association for 9 years. Coach Crystal is an ASCA Level 4 swim coach and Certified Stroke Technician. She has served FL Swimming as an Area Representative as well as Zone and All-Star Coach. She is currently the Northeastern Divisional Representative to Georgia Swimming's Technical Planning Committee and the Divisional Committee Chair to Georgia Swimming.
- ◆ Associate Head Coach David Menchinger has been with LA since August of 2021 and has been around Georgia swimming for a while. Growing up, he swam at SCAT in Peachtree City, then went on to swim at Western Kentucky University. After college he came back and began coaching at SCAT, where he coached for 6 years. He was also a part of the 2019 Georgia Zone Team as the girls 13-14 coach, as well as the 2021 Zone team, coaching the 13-14 Boys and Girls. David believes in simplicity and streamline when it comes to improving swimming technique, while also emphasizing the different types of training involved in a balanced swimmer.
- ◆ LA Assistant Coaches are Senior Group Athletes and work with the Nova Training group. Coaches enthusiastic and knowledgeable in the sport.

Philosophy:

Coach Crystal and Coach David have vast experience and knowledge in developing swimmers from the beginning swim team level through elementary, middle and high school years on to a successful college career. The LA program philosophy is based around the question of where we want to see the youth of today when they reach adulthood and what kind of experiences do they need during their developmental years in order to become positive, achieving, successful, contributing members of our community and nation into their 20's, 30's, 40's and beyond. We believe that the LA approach to youth development through the medium of competitive swimming offers unique lessons that greatly contribute to the experiences needed for life-long success. As far as the sport itself goes, we are not so concerned with how fast a swimmer is at age 10 or 11 but whether or not that swimmer is still in the sport through their high school and hopefully college years and still enthusiastically participating and improving.

Coaches are available by appointment or before and after practices to meet. Please do not approach coaches while swimmers are in the pool, unless its necessary, as it takes away from the athletes training. If you have questions or concerns please reach out to the coaches via phone or e-mail during their office hours and we can set up a meeting.

All parents are asked to remain off deck during practice hours as it is a distraction to the athletes in the water. There are chairs in the viewing area where parents and spectators may sit.

During practice hours, FMACC offers a variety of workout classes that you might want to try out. See the front desk for more information regarding these classes.

Swimming Apps

“On Deck” by Team Unify lets you log into your Lanier Aquatics Account right from your phone! On this app you can enter your athlete into swim meets and sign up for volunteering at the meets! Your account will be live within a week of registering with the team. All families in the year-round and prep group will have access to “On Deck”.

USA Swimming is also a valuable App that swimmers and parents alike should be using. You’ll be able to track your best sanctioned times, scores and rankings. It’ll help you track your progress on the IMX and IMR recognition program. And it will give you access to your USA Swimming Membership card that you’ll need at National Meets! Your account will be live about three weeks after beginning with the team and paying your USA Swimming Registration fee. This app will be for those involved in the year-round competitive group.

Lanier Aquatics Year-Round!

Lanier Aquatics Year-Round Swim Team is a great option for your swimmer at the end of the summer! We’d love to have them stay with us throughout the school year. Be on the lookout for a special discount e-mail at the end of the summer for those who have participated in our Summer League!

Lanier Aquatics is a USA Swimming / Georgia Swimming chartered club who competes throughout the year. We are historically one of the best small to medium teams in the state with swimmers competing all the way to the National Level.

LA Summer Break—no practices for the year-round groups from July 26th through August 11th.
