Policies & Procedures

The entire staff of Lake Country Gymnastics is dedicated to the goal of providing your child, age 18 months and up, with a creative, exciting, and fun-filled experience in a safe environment. However, as there exists the potential, in any activity, for injury, minimal to catastrophic, it is also our responsibility to set safety standards and guidelines for the benefit of all participants. Therefore, the following policies and procedures will be strictly enforced.

- The LCG staff will go over all gym rules with your party group prior to beginning the gym activities. Please note the event host assumes responsibility for all participants.
- Food and beverage is allowed only in the designated refreshment area. No food or beverage is permitted in the lobby, restroom, or gymnastics instructional area.
- Chewing gum is not permitted in the LCG facility at any time.
- Parents are reminded to allow the LCG event staff to handle all event activities.
- Adults are not permitted on any gym equipment.
- Children, including siblings of the honoree, who are under the age of 18 months are not permitted on any of the gym equipment even with adult supervision.
- The first hour of the party or special event will consist of gymnastics related games and activities in the gym. The last hour will be time for refreshments and gift opening in the designated area. Therefore, it is very important that all participants arrive on time. If participants are late, LCG will follow the assigned time schedule ending the event at the designated time.
- At the conclusion of the event, participants are to wait in the lobby for pick up. Event host is responsible for transporting those participants remaining at the facility twenty (20) minutes after the conclusion of the event. Participants will not be permitted to use any equipment post refreshment.
- Event participant is not to be left unattended either inside or outside of the facility.
- Event participants unable to adhere to the rules and regulations of safe conduct will be excused from the event until, at the discretion of the LCG staff member in charge of the event, the participant is able to safely resume the activity.
- To insure the enjoyment of all participants, the maximum number of attendees is 25 which includes the honoree.
