Meet Specific

This is a REALLY small meet, GSC represents roughly half of the entries to the meet (good job on signing up).

With that said, there have been breaks added to the timeline, but they may not help some of our individuals between their events. Speak with Coach John this week about which events to prioritize.

While this meet is beginning of the season, we'd like to suit up for this meet and see where we are. Additionally, our May Sectional meet requires predominantly LCM entry times so some of you that made the Spring meet on SCY times don't have a qualifying times for May, so something to strive for. **For this meet ANY tech suit is acceptable if you have older other brands laying around that you'd like to use and save your Speedo suits for the required meets.**

Sunday – Orange TShirts

Saturday we will have a little mini practice before the meet begins. Nothing too hard, just treating it like a pre-test set warm up. You will have time to change into a tech suit prior to the meet beginning.
