All practices are normal, including drylands, for all groups

Other Information

Coach Evan is requesting timers for this weekend's LRS meet. He will happily sign any volunteer hours for everyone that stays and times!

Divisional Weekend (March 28 - March 30) is rapidly approaching! This meet is full of fast racing and fun sessions! We'll dress up in themes each day, do a bunch of fun chants and cheers, and fill the UGA Natatorium with ASL posters! The divisional meet is often looked back on as the most fun meet that our swimmers attend every year. Last year, we had the honor of hosting this meet where we took home the first place trophy. Perhaps more coveted than the overall points trophy is the NE Division Spirit Award. Each year, coaches from all teams vote for the spirit award recipient based on sportsmanship, gamesmanship, and culture on the pool deck. It is our goal every year to take home the spirit award. It absolutely is the bragging rights award amongst the coaches. Our goal for this meet is 100% attendance from the travel squad. Your coaches will be talking to athletes this week about the meet. Please reach out to your group coach with any questions!
