Practice Changes

Both Sites are running normally through Monday night.

There will be no practices for any group on Tuesday night (June 3) for either site

Other Information

While Summer League is happening the **newsletter will come out on Wednesdays!**

Also through Summer League, there will be **NO Tuesday PM workouts** at either sites. This is from 5/27 - 6/21. Tuesday PM workouts will resume June 24.

The updated **Championship Meet Qualifier Reports** are posted to their respective event pages. Please feel free to take a look at them and reach out to your Coach with any questions. Because the Long Course season is over quickly, practicing and racing in meters is extra important! With the AAC and Aiken sites both being indoors, we are also protected from rain and winds!

Finally, our **annual fundraiser is happening right now!** Here is a quick note from Mike Groves (President) and Fred Long (Fundraising):

“As far as the prize winners are concerned, the Bronze Group is well on their way to earning the Ice Cream Party with a \$500 lead on Junior group, and the Koch brothers are tied atop the leaderboard for the SwimOutlet gift card. Let's give them some competition!

We would like to see 100% participation by our Travel Squad swimmers and get as many towels earned as possible.”

The deadline for donations is this Saturday, May 31!
