

The Western Mass Aquadogs Meet Policy

To participate in swim meets, members must sign up for competitions through their own accounts or by contacting a member of the coaching staff via email.

Approximately one month before a meet, you will receive an email with the Meet Information link. Before the entry deadline, please log into your Aquadog account and either submit your entries or let us know that you are not attending.

Everyone on the team will receive automatic reminders periodically during the registration period, even after submitting entries or declaring that you are not attending.

IMPORTANT NOTE ABOUT MEET FEES

Once the Aquadog meet entry deadline passes, we cannot refund your meet fees for any reason (injury or illness, scratching, withdrawing, etc.). Aquadog Swimming collects your meet fees and pays them to the meet host when our team's entries are accepted by the meet host. Meet fees are paid to the meet host weeks in advance of the meet. These fees are not refundable to The Aquadogs, and therefore, we cannot refund them to you.
