

Swimming Volunteer Opportunities

Dynamo Swim Club

Parent owned club 501c3 Non-Profit

Parent/Volunteer board of directors

Heavily dependent upon volunteers – like many Age
Group sports

A large part of the swim team's financial support is
generated from the swim meets we run each year.

It takes a lot of volunteers to run a swim meet

Meet Director

- **Benefits – Many**
 - **Best Seat in the House**
 - **Free Heat Sheet**
 - **Hospitality**
 - **Tax Deductions**
 - **Free Polo Shirts**
 - **Home Meets – Reserved Parking**

Why become an Official

- **Top 10 Reasons to Become a Georgia Swimming Official:**
- **Support the team with your time as a volunteer. Why not give something back to the team and sport that's doing great things for your child?**
- **Be on deck with your kids at swim meets. There's no better view of the pool.**
- **Learn more about the sport of swimming (don't you wish you knew why your child DQ'd? What do things like "delay initiating turn", "shoulders past vertical", and "false start" mean anyway?)**
- **Because you're a valued volunteer, be well-taken care of with:**
 - Free heat sheets (you'll actually know the heat and lane assignments)
 - Free food
 - Free admission and parking
 - Since United States Swimming is a tax-exempt charitable organization, volunteer expenses such as mileage, hotel, and meals are potentially tax-deductible.
 - Nice people who will mentor you in the sport (Officials really are nice once you get to know them!)
- **You can make a difference! Don't sit in the stands and get a sore back; stand up and be involved with the swimmers on deck :-)**

The background of the image is a close-up, top-down view of blue water with gentle ripples. The ripples create a textured, wavy pattern across the entire frame. The color is a consistent, vibrant blue.

WET vs DRY

DRY

Administrative Official (AO)

WET

Stroke & Turn Judge (S&T)
