

Katy Aquatics, founded in 1986, has developed a state and national reputation for a first-class, year-round swim program.

We offer a guided age-group youth program for children ages four and up, from the beginning swimmer to the most competitive and skilled.

When a young person becomes a member of Katy Aquatics, they learn the values of sportsmanship and teamwork. Swimming, through Katy Aquatics, provides physical, emotional, and intellectual skills that will last a lifetime.

Eligibility: We are offering this summer swim camp to swimmers of all abilities, ages 8-14. The camp participants must be able to swim a legal freestyle and backstroke. We may move swimmers between the different camps based on age and/or ability.

Katy Aquatic's Mission Statement:

Providing a world-class aquatics program for all members to develop their full potential as athletes and individuals in a safe and positive environment.
