

"Providing a world class aquatics program for all members to develop their full potential as athletes and individuals in a safe and positive environment."

Greetings,

Katy Aquatics is a local USA swimming club with a guided age-group program that runs year-round for ages four and older. The skill level in our organization ranges from the beginner who is just starting swim lessons, to training highly accomplished athletes who represent our club at National level competitions across the country. We have been in existence for over 30 years as a swim club and are recognized as one of the top 2% of swim teams in the United States. When young people become members of Katy Aquatics, they gain more than just swimming skills. They acquire life experience and learn the values of sportsmanship and teamwork. Swimming is a sport that provides physical, emotional, and intellectual skills that will last a lifetime.

We are a 501 (C) (3) non-profit organization supported by tuition, small grants, and donations. It is because of the generosity and support from many Katy Aquatics friends and families over the past several years that has enabled us to keep our programs active and successful during this unparalleled time. With close to 1,500 members involved in our competitive and learn-to-swim programs, you can imagine our determination to keep our programs available and beneficial to our members. Please know that a sponsorship donation made on your behalf to our team will be utilized responsibly, and to better the experience of all swimmers in our club. In return, each sponsor will receive the following promotional value as outlined in the enclosed Sponsorship Packet.

As we prepare for this season, Katy Aquatics is sincerely looking forward to partnering with you and your business as we continue to make improvements in our efforts to keep strong swimming programs obtainable and thriving within the Katy area. If you wish to become a team sponsor during our 2024-2025 year, please contact Angela Golightly at the information listed below. You will then receive a letter of confirmation detailing your charitable contribution to our club.

Your consideration is sincerely appreciated, and we look forward to hearing from your organization soon.

Warmest Regards,

Travis Sandifer

Katy Aquatics Executive Director
