Team set up is outdoors, in the grass on the east side of the NAT (easiest access to viewing/ready bench from here). Tents are advised, No generators on the grass, and No set up in the circle drive way.

RULES & SANCTIONS:

The 2025 NWAL rules will apply. The meet will be held under the sanction of the NWAL League Officers and Board of Directors.

The individual's age determines eligibility for an age group as of the end of May 1, 2025 per NWAL rules.

**WEATHER ACTION
PLAN:**

The Weather Action Plan has been established to help mitigate the impact that severe weather may have at a meet of this size. This plan allows the swimmers to continue their competition and helps to avoid cancellation of the meet's events for that day.

In the event of inclement weather in which it unsafe to remain outside, the meet officials, directors, and coordinators will enforce the 2025 Weather Action Plan. We will email all updates to the email that submitted the team entries. It is each team's responsibility to inform their team of all changes. We will also call for a mandatory coach meeting at the meet to go over the following plan:

- All spectators and parents will be asked to vacate the facility to their vehicles.
- Spectators with disabilities unable to quickly get to their vehicles may remain in the lobby.
- Swimmers, Coaches, and meet volunteers will be brought inside the facility to allow for the continuation of the meet.
- Teams will be arranged in the stands in alphabetical order with teams closest to the concession stand to the ready bench end of the bleachers.
- Coaches are asked to assist in the direction of swimmers to the appropriate section of the bleachers.

Spectators will be admitted to the lobby and a small area near the concessions to watch their athletes and then immediately vacate the area to allow other parents to watch. If parents are not leaving upon the conclusion of their swimmer's race, spectators will be asked to remain in cars until the weather passes.

Ready benches will be moved inside at the far end of the girl's pool. Coaches, safety monitors, and officials not currently officiating may be asked to safely and swiftly move swimmers currently on the ready bench inside.

Swimmers will return to their team areas on the bleacher side of the pool and not move through the lobby.

Meet announcers will do their best to update for ready bench and event in the water via both Twitter and the audio system. If parents choose to bring swimmers to their vehicles, announcements may be missed for ready bench

call. Volunteers may be in different roles once the inclement weather plan is implemented and *swimmer safety will be given priority in all circumstances.*

**POOL DECK
RESTRICTIONS:**

Because of Insurance Safety Regulations, the swimming pool deck, during the operation of the Sprint Sizzler Invitational swim meet, is closed to all persons except swimmers, coaches, marshals, officials, meet personnel, and timers. If you are asked to leave the deck by any meet personnel, you must do so.

TIMING:

A Colorado electronic timing system with electronic scoreboard will be used. Two watches per lane will be used as a back-up.

Teams will be required to furnish timers based on their percentage of swims at the meet.

**CONCESSIONS &
MERCHANDISE:**

A custom Sprint Sizzler Invitational Meet shirt will be on sale at the meet as well as swim apparel and swim gear.

Concessions will be available onsite.

OFFICIALS:

2025 NWAL certified officials will officiate. Teams are requested to supply officials and to submit a current officials list with their meet entries.
