

2025-2026 SSAN EQUIPMENT LIST

SSAN Equipment List

All swimmers are required to have the necessary equipment in order to fully engage in daily practices and skill development. Each item plays a critical role in developing proper technique, building endurance, and ensuring a safe and efficient practice environment.

SSAN is a SPEEDO sponsored team, and as such we highly encourage our swimmers to use SPEEDO gear when available, and they are required to wear our SPEEDO team suit to swim meets – you are not allowed to put our logo on any other brand of suit.

To ensure consistency and quality, all required gear can be purchased through our local team store, [D&J Sports](#) – Tomball, located at 11407 Spring Cypress Rd #100, Tomball, TX 77377. Please make sure your swimmer is properly equipped before attending practice.
