

Manoa Aquatics is sponsoring the 37th Annual Harry M. Mamizuka Invitational Meet on April 29-30, 2017 at the K. Mark Takai Veterans Memorial Aquatics Center, formerly know as VMAC. This meet will host approximately 300-400 age-group swimmers from various swim clubs throughout the State of Hawaii.

Manoa Aquatics is a year-round community based swim club operating under the rules and guidance of Hawaiian Swimming Age Group, Local Swim Committee, and USA Swimming, which is intended to provide a swimming program that is both competitive and recreational.

Through swimming, Manoa Aquatics strives to provide its swimmers with:

- Enhanced self-image, character, life skills, and build confidence.
- Develop a healthy mind and body to the individual's fullest potential.
- Build an appreciation of hard work, self-discipline, and commitment. Promote working toward goals through commitment and hard work.
- Develop team spirit and sportsmanship in a competitive setting.
- Recognize and appreciate the worth of each individual within a team effort. Provide the opportunity to develop camaraderie and lifelong friends.
- Instill the importance of schoolwork and attending college.
- Promote water safety.

In addition to providing a competitive showcase for the swimmers of our community, this meet has created an opportunity for Manoa Aquatics to raise funds to be used to provide needed equipment and to cover the cost of team expenses.

To accomplish our goals, we are asking for your support. Your suggested \$10 donation per event will be acknowledged at the start of each event sponsored. The Manoa Aquatics committee will assign the various events to each donor.

I thank you for your interest, support and donation. For more information about Manoa Aquatics, visit our website at www.manoaswim.com. Should you have any questions or comments, regarding this event, please contact Mr. Jon Wong, 387-4651.

Craig Wienckowski,

President, Manoa Aquatics
