The Rules That Govern YMCA Competitive Sports must be followed at all levels of YMCA competition. Some, but not all, of those rules are referenced below. Coaches, athletes and YMCA supervisors are responsible for knowing and abiding by the Rules That Govern.

Any questions pertaining to a definition of the following YMCA Inter-Association Meets, YMCA Championship Meets, and Sanctioning procedures can be found in the Rules that Govern YMCA Competitive Sports document. Download from www.ymcaswimminganddiving.org

2. Pool depth should be at least five feet at any end of the pool where racing dives will be performed. If the pool water depth at the starting end of the pool is less than the prescribed five feet, all swimmers must start their races in the water, even if starting blocks are available.
3. Timed Finals for all our Iowa YMCA swim meets. (A "No Show" (NS) or "Declared False Start" (DFS) will count as an event, but will NOT eliminate the swimmer from further competition.)

5. Lead off splits cannot be used for state qualifying times or state records.
6. Iowa YMCA State Records can only be set at the Iowa YMCA State Meet.

EVENT SEEDING: Events will be seeded Slowest to Fastest. The Meet Referee/Administrative Official reserve the right to combine heats.

SCRATCH PROCEDURES: An athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete's total number of events for the meet. Scratch meeting will be held each day prior to the meet at 8:15a.m. in the Board Room.

DECLARED FALSE START: An athlete may also withdraw from a heat or swim-off by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

NO SHOW: An athlete who is seeded in an event and fails to compete (i.e., a "no show") shall not compete in any further individual or relay events unless the athlete and/or coach declares an intent to swim to the Administrative Referee prior to the next scheduled event for the athlete.

The exception is during specific warm up periods when sprint lanes are designated for practicing racing starts.

PARADE OF ATHLETES

Athletes will be grouped by team and paraded from the gym (holding area) through the rec pool into the lap pool where they will have a chance to wave proudly to family and friends as they are honored for their accomplishment. This will be a big task that will take time, therefore, coaches and or parent volunteers are asked to assist in grouping teams together in the gym for the parade. Announcements will tell swimmers when/ where to line up in the gym for the parade. **PLEASE EMAIL TEAM LOGOS TO shelley.lechnir@ymca-ywca.org in jpeg format in order to create a team banner and video slide of each YMCA or team.**

READY BENCH: There will be a modified clerk of course for this meet. A ready bench will be located at the SE corner by the shallow end of the competition pool. Swimmers should report to this area prior to going to the blocks, when their event is called in the gym and through announcements in the lap pool. When it is time a volunteer will then send the swimmers behind the blocks to prepare for their race. Volunteers will make sure the swimmers are in the correct lanes and heat. Ultimately it is the responsibility of the swimmer to report on time and to the right lane.

STARTS: 'Fly-over' starts will be used at this meet. All swimmers (except for Backstroke starts) should remain in the water at the completion of their race until the next heat has begun.

Iowa YMCA State Swimming Championship March 3-4, 2018

SWIM-OFFS: In the event a swim-off is necessary, the meet referee will set a time for the swim-off which will not be any later than 45 minutes after the last heat of any event in which any of the swimmers in the swim-off is competing. (USA Swimming Rule 102.5.2)
