Your child's Lead Group Coach will select the proper and appropriate events for that meet. Event selection is an important part of proper development, injury prevention, confidence building, and success. We ask IFLY parents to trust the professional coaching staff to select events, though we are *always* happy to discuss additional events, edits, or to explain *why* specific events were chosen. Coaches will *always* be able to explain the 'why' behind a decision.

Double check the entries and selected sessions before the final day commitments are due (listed on the website). Once the commitment period ends, coaches will send out final entry lists for each group. It is vital you let us know if there are concerns or adjustments. Once swimmers are entered, refunds will not be made for individual meet entries.
