

Boise Swim Club Code of Conduct (BSC)

As a BSC member (parent, official, swimmer and volunteer), I agree:

1. To comply fully with all pool regulations and the direction of the BSC pool staff
2. To follow all directions given by coaches, meet or pool officials
3. To not use vulgar or insulting language directed toward any persons while at any BSC activity including meets, practice, trips, gatherings, etc.
4. To not engage in physically aggressive behavior including pushing, shoving, hitting, or other physical contact directed toward any other person while at any BSC activity including meets, practices, trips or other team gatherings
5. To not engage in any activities that would be a violation of USA Swimming or LSC rules regarding sexual misconduct or sexual abuse.
6. To be courteous to all swimmers, coaches, competitors, and other participants in BSC and USA swimming activities
7. To strive to always do my best and to treat others as I would like them to treat me.
8. Not to conduct myself at BSC events of any kind or events outside of affiliation which in the opinion of the Club Owner and Advisory Board would be detrimental to BSC and or the image of BSC in the community.
9. That my conduct is my responsibility and that the failure of others to conform their conduct to the requirements of this code will not excuse my failure to abide by these standards.

Violations of this code of conduct may be grounds for disciplinary action.

The Owner, Coaches or the Parent Advisory Committee will contact the persons involved – to discuss any serious or repeated infractions. Any violation which in the opinion of the Club Owner, Coaches or Parent Advisory Committee either causes or has the potential to cause injury to another person or which significantly disrupts any BSC or USA swimming function is a serious violation.

Coaches may immediately suspend any swimmer for violation of this code. Suspensions will be reviewed by the BSC Owner and Parent Advisory Committee of review, (the Club Owner, 4 Parent Advisory members) which will convene and review the matter as promptly as possible.

There shall be prompt notification of any suspension.

The Club Owner may suspend any timer, volunteer, official, or parent for violation of this code. If such a violation occurs at a BSC sponsored swim meet or event that immediate action is necessary, any 2 members of the Parent Advisory Committee can call for a temporary suspension or removal of the person involved.

Serious violations or a pattern of misconduct by either a swimmer or parent who shows a continuing disregard for these standards of conduct may be grounds for permanent exclusion from BSC.
