MISSION

EAST strives to provide a community centered around aquatics in the Ellensburg Area. Our organization seeks to introduce, teach, develop and maintain skills necessary to be successful in swimming at all levels. Through our community and guidance, we hope to develop camaraderie and self-esteem, encourage physical fitness, and promote a safe and positive environment so athletes can reach their fullest potential!

PURPOSE

The purpose of EAST shall be first to promote interest and success in competitive swimming. Athletes shall be treated equally and shall advance in the competitive groups based on merit and attitude. EAST represents the interests of the swim team to the Inland Empire Swimming. This representation is performed in accordance with the revised Articles of Incorporation and under the rules prescribed by USA Swimming and Inland Empire Swimming.

SAFE SPORT

The primary purpose of EAST is to encourage participation and the pursuit of excellence in swimming. Unfortunately, safety problems can derail this goal and negatively impact lives. This is especially true if the problem could have been prevented. PREVENT, RESPOND AND REPORT are three specific actions each person can do. Our athletes will have monthly training educating them on each of these actions. These actions not only help prevent safety problems but ensure those which do occur are properly addressed.

Per change made by Sarah and featured on our website and in the parent handbook.
