      - Who collects forms: Megan and Jaymi's mom(?) will collect swim-a-thon tracking sheets at the event to do a rough estimate of how much we made...so far.
      - Are checks and cash to be made out to the swimmer/family and then the swimmer's account is billed for the total? - Please remember to tell swimmers not to include their cash and checks to their online payments. Also let swimmers and families know to include their online pledges to the tracker sheet at the bottom (Candi will update spreadsheet to include a place for this amount)
    - Pizza Party - Do we want to provide pizza for all swimmers AND their families? It's dinner time, so I think we should at least have the option to have families included (even if we charge \$5/extra person)
      - Josh and Robert will take care of this and we will ask families to bring drinks, desserts, veggies, etc.
