NOVEMBER 2021 MEETING AGENDA

NEED TWO-THREE NEW BOARD MEMBERS- SECRETARY, OFFICIAL, AND Member at large

How do we approve Megan if she wants the sec. position? (We usually do a membership vote.) Michelle can send out a google doc when we are ready for members to vote by. COACHES UPDATES (SARAH):

- 1. Can we clarify the volunteer requirement for precomp participants? All participants who have registered have signed agreeing to volunteer hours no matter the group.
- Andrew would like the dates on his contract to reflect that he will not be coaching with us over the summer months when he returns to his team on the west side. Still being discussed.

NOTE: Alicia Burson is interested in helping out. Please contact her regarding how she can help <u>509.859.1941alicia_burson@yahoo.com</u>

3. Mackenzie's last day coaching will be November 15th, notice given November 1st Request to share pool space Monday/Wednesday 5:30 - 6:00 (we already have permission on Fridays) - should hear back from Debbie soon **One idea:**

3:30 - 4:30 Bronze 2 (ages 10+): these are the swimmers in Mackenzie's current precomp group. They are older so they get out of school earlier than our elementary aged swimmers. 4:30 - 5:30 Bronze 1 (under 10): This is Ellie's current Bronze group. Pushing this practice back gives me more time to get there if I have a late meeting...this group needs more support. 5:30 - 6:00 precomp MWF only: This is for new to swim team swimmers, basically a lesson from the deck

**Ellie and I will run these practices together, which will allow the groups to grow while also ensuring coverage if I am not able to follow through and coach. If, I can get back into it regularly, we can split groups off once we have confidence in coach coverage.

This needs to be decided quickly so families can be notified of schedule changes, hopefully by end of this week.

- 4. CWU request to use pool Saturday 11/13 and 11/20 for club team special events (all agreed.)
- 5. Registration for next year, registration for all existing members should be processed by Sept 30th. For current situation, a new message needs to be sent out to the team as the December 31st deadline for USASwimming registration will not work. Our registration must be to IES this year by December 1st. Any registration arriving at IES after 12/1 will not be processed until January 10th. I suggest my next message to families updates this situation and gives a November 19th registration deadline so Megan has the opportunity to tie up loose ends before December 1st. I would like to send this message to families tonight, if possible.

 I added files to the shared folder. I found the by laws, team records and some other files on the TeamUnify server. I downloaded them to the shared folder. https://drive.google.com/drive/folders/1HYNxnLCIpXJ_UG0KTCgT2Gz07CIXHwcZ?usp=sharing
