

Battle of the Waves

Swim-A-Thon

Thanks for the great turn-out for the Swim-A-Thon this year! The last dead-line for all donations and pledge collections is May 22nd (Sunday). The money will be collected and tallied on May 23, so a team winner can be announced.

Please, if your swimmer has not turned in any pledges, please do so. As of the swim-a-thon date, only 64 swimmers (out of 170) have turned in pledge money. If you submitted your pledges since then, **Thank you**, and we will be including those in the final count.

There has been some talk about buying a speaker/ microphone system for the Waves. Because the Whitworth's sound system was not working, we had to use a portable sound system for the Swim-A-Thon. The system brought in at the Shamrock meet is what we are looking at purchasing. This sound system will be the property of the Waves and will only be used by the Waves. The money collected for this Swim-A-Thon will help buy this sound system. Therefore, pledge money from all families would be greatly appreciated.

For those that have contributed, **THANK YOU!!** There were some impressive contributions this year, and will not go unmentioned!

A reward for the top contributors and Wave Team Winners will be announced after the final tally!

Thanks again,

Swim-a-thon committee
