ABOUT

OUR MISSION

Provide an optimal training environment for all swimmers that promotes excellence in and out of the water.

OUR GOALS

Create fun, hardworking, focused, team-oriented and educated training groups at all experience levels

1. Develop life skills: work ethic, dedication, teamwork, and goal setting
2. Develop a positive environment with high expectations that families want to be a part of
3. Teach the swimmers that personal accountability (ownership, work ethic and commitment) is necessary for each individual's successes

COMMUNITY

Emphasis is placed on family participation, supporting diversity, and building strong relationships within the team.

PREPARATION FOR THE FUTURE

Our coaches understand the progression of the sport and how to develop competitive swimmers over time; giving attention to long-term physical, mental, and emotional growth helping each reach their greatest potential as swimmers and individuals. Our responsibility is to provide the environment to prepare our swimmers for what lies beyond Spokane, not just success in the immediate future.

The Spokane Waves are members of USA Swimming, serving the Spokane, Mead and Cheney communities.

There are 2970 USA Swimming teams.
