

WALLA WALLA SWIM CLUB

A competitive swim program dedicated to providing athletes a safe & supportive environment to achieve swimming excellence & build strong life skills.

NEW Official Incentive

The board understands that officials are in high demand as they provide a critical role at all of our swim meets. Our current parent officials have spent countless hours volunteering their expertise for the benefit of our club and the board would like to recognize their contribution. The board also hopes that this incentive will encourage parents to become officials.

On 12/16/2021, the board voted on the following:

- Current WWSC parent officials will receive 50% off of their child's monthly dues effective January 1st.
 - Officials must be in good standing with official certifications and APT.
 - Officials must officiate 3 meets during the 2021-2022 swim year.
 - Original requirement of 6 meets per swim year will be effective for the 2022-2023 swim year. The board agreed to reduce the requirement to 3 meets for this year as we are almost halfway through the swim year.
 - Officials must officiate January Storm and Sweet Onion Meet, unless the official is unable to attend due to reasons beyond their control.
 - Families will be eligible for 1 discount per household.
- WWSC will not exceed 12 parent officials per swim year.
 - As of Dec 16, 2021, WWSC has 3 current parent officials.
 - As more parents become certified officials, they will get added to our active parent official list. Once we have 12 parent officials, new parent officials will be put on a wait list. When a *current* parent official steps down, a *new* parent official will be moved from the waitlist to the active list and begin receiving the monthly discount.
- Parent officials in training will not be eligible for a monthly discount until they show proof of certification.
- Service hours will be waived for parent officials as they will meet the service hours requirement by officiating.
