

# Equipment & Apparel Order

Welcome to another exciting season for the Academy Bullets Swim Club. All orders will be online through our team web site at [www.academybullets.com](http://www.academybullets.com) by clicking on **Team Store** (under the Parents tab). All swim cap orders must be submitted by Monday, April 22, 2024. If you have any questions on ordering items, please contact our new D&J Sports Representative (and owner) Don Kaye at [dkaye@djsports.com](mailto:dkaye@djsports.com).

Personalized caps (with swimmer’s names and our club logo) are only ordered once per season. Swim cap details can be found on this order form. If you would like a personalized cap (silicone or latex), you must place your order with D&J Sports (online) no later than Monday, April 22, 2024. We will not be able to accept late orders on this item. All custom printed items cannot be returned or exchanged for any reason. Please print names clearly where needed. If names are omitted, your item will be printed without a name.

## Important Information on Equipment & Apparel:

1. All swimmers must have a team suit to compete in meets. This team suit is a Speedo suit with our team logo on it, as Speedo is a sponsor of our swim club.
2. The only swim cap that may be worn at practice and swim meets is an Academy Bullets team cap. New swimmers receive a latex cap at the first day of practice. Additional latex and silicone caps can be purchased from your coach. Personalized swim caps (with swimmer’s names and our club logo) are only ordered once per season as stated above.
3. Equipment (Gear) and Custom items (printed suits, warm-ups, apparel, etc.) will be shipped to your home in approximately 14-21 days after purchase.
4. We offer a large variety of apparel items for both swimmers and parents in youth and adult sizes. Swimmers and parents are encouraged to order Bullets gear to wear at meets.

**HOW WILL I RECEIVE MY ITEMS?** All items will have a shipping charge included at the time of purchase and will be shipped directly to your home. We will NOT have an order drop-off day at any locations.

Below is a breakdown of the equipment needs for each group within our swim club. Swimmers are required to have these items at practice each day. Swimmers may purchase additional items not required for their group.

### Aurora Location
