

# BOSS NATION CHEER

We Are Boss Nation 🏆

## Empowering Young Athletes to Shine

At Boss Nation, cheerleading isn't just a sport—it's a way to help young athletes grow into confident, capable individuals. From learning new skills to making lifelong friends, we're all about creating a space where young athletes can thrive.

We started with a dream to give kids a place to belong, grow, and succeed. Today, that dream is growing every season. Through every practice, routine, and competition, we're teaching lessons that go far beyond cheerleading—lessons about teamwork, resilience, and believing in yourself.

2024 UYFL CHEER CHAMPIONS - 10U TEAM GLITTER

## Big Wins and Bigger Hearts

Since our start in 2022, Boss Nation has been reaching new heights year after year. In our very first season, we celebrated as UYFL Cheer Champions in the 14U division, and with our Allstar team winning 1st place. That was just the beginning.

In 2023, we expanded to four teams, with every single one qualifying for Nationals. The Allstar and 10U team proudly brought home 1st place in their divisions, while the 6U team earned an impressive 3rd place finish.

By 2024, our cheer family grew to six teams—and all six teams made it to Nationals! At UYFL Nationals our Allstar division took 1st place, 12U large division and 10U small division winning championships, the 14U small division placing 3rd, 8U showing their heart and dedication on the mat, and the 6U small division coming in 2nd. It's clear that when we work together, amazing things happen.

We Are Boss Nation 🏆

## More Than Cheer

Boss Nation, is not just about the trophies. We're here to help young athletes grow into strong, confident individuals who support each other and make lasting memories. Cheerleading gives them a stage to shine, but the lessons they learn like how to work hard, bounce back, and lead with heart stay with them forever.

Our teams are made up of athletes from all kinds of backgrounds and experiences. Everyone is welcome, and everyone has something special to bring to the mat. Together, we lift each other up, celebrate our differences, and inspire one another to be the best we can be.

## Mentorship and Leadership at Boss Nation

We believe in building strong leaders. Our program is designed to encourage mentorship, our coaches and junior coaches provide hands-on guidance to help every athlete grow and succeed. They create a positive environment that inspires teamwork and builds confidence. We also encourage teammates to be role models for one another, showing support, respect, and leadership that strengthens the entire team.

## A Cheer Family

Boss Nation is more than a cheer program—it's a family. We're here to cheer for each other, on and off the mat, and to grow together every step of the way.
