Known issues with the 2026 USA Swimming Registration reported so far by other COHO Swim Club Families.

- **#1 issue:** The servers have been crashing for USA Swimming, so you'll have to keep trying to check out, and eventually it'll work.

- **#2 issue:** Parents can't add the registration to their athletes once they click on the link and log in. If this happens, check your shopping cart in the top right-hand corner of the screen, and there is a good chance it is in the cart.

- **#3 Issue:** We've had several new families accidentally register themselves (A parent or guardian) instead of the swimmer. This can be avoided by making sure that when asked who to renew, never click yourself, only click your swimmer, or if new, add a new family member and once they are added, you'll be able to click on the registration link again and select them, or they were automatically put into your shopping cart if it says no members are eligible for registration or renewal.

If you have made an error during the 2026 Registration and accidentally registered the wrong child or possibly yourself (the parent or guardian), and need to get a refund.

- **Please Contact the ILLINOIS Swimming Register**
  - **Pam Lowenthal at pam.lowenthal@ilswim.org, or you can call the Illinois Swimming Office at 847-824-1596**
  - **Please note that you must have your receipt as proof of purchase in order to request a refund, and that will need to be submitted to Pam AFTER you've had a conversation with her either through email or on the phone.**
