What is SafeSport and the U.S. Center for SafeSport, and why is it important?

Safe Sport Act

The [Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017](#) codified the U.S. Center for SafeSport, a 501(c)(3) nonprofit, as the nation's safe sport organization. It gives the center the scope and authority to resolve abuse and misconduct reports for more than 11 million individuals throughout the U.S. Olympic and Paralympic Movement, from whom they are fully independent.

The Act also charged the U.S. Center for SafeSport with developing and enforcing policies, procedures, and training to prevent abuse and misconduct. The Center's [SafeSport Code](#) governs all participants in the Movement, and our oversight authority helps us ensure all Olympic & Paralympic national governing bodies (NGBs) adhere to [Minor Athlete Abuse Prevention Policies \(MAAPP\)](#) that support athlete safety.
