Good ideas/tips:

Swimmers should bring snacks/breakfast items for the entire weekend.

Meals that may be tough to sit down and enjoy include: breakfast on Saturday and Sunday and lunch/dinner on Friday.

**** We will do our best to make sure all the kids are in contact with their parents and remind them to call to calm your nerves. Things/accidents happen from time to time and most likely couldn't be prevented. However, if there are complaints of bullying, physical abuse or any abuse of any kind, this will not be tolerated. Depending on severity of each accident, you may be asked to come pick up your child (most extreme cases), and/or your child may be held out of the meet. All depends on severity of the crime. In the last past years, no such issues have arisen. Just want to make sure everyone is aware of the possibilities. ****

NOTE: All kids going on this trip are at an age that they are being trusted to be responsible. Swimmers will be required to read and sign a Travel Code of Conduct before departure.
