

## USA Swimming Registration

- Registration is required for all swimmers on our team. You cannot sign up for meets if you are not registered with USA Swimming!
- **New swimmers** must now complete this process on their own whereas in the past the team has done it for you.
- New swimmers will need to pay the registration fee directly to USA Swimming at the end of the process. In years past, this fee was taken out of your escrow by the team. That will not happen anymore; therefore, you will have more money than previous seasons in your escrow to pay for meets and then carry over/be refunded in the spring.
- Returning swimmers will be renewed by the team and the cost will be deducted from your escrow account.
