

# St Charles Swim Team Photography Policy

Members of the St Charles Swim Team will only have their pictures taken if their legal guardian (or themselves should they be adults) have consented to be photographed through the online registration process at the beginning of each swim season (twice annually). Parents have a right to refuse agreement of their child being photographed. Choosing whether to allow or refuse consent for pictures is a mandatory step in the online registration process for the swim team each season. Swimmers and/or legal guardians may alter their consent for photographs at any time via the attached form sent to the Head Coach or Team Administrator.

At no time may any pictures or video recordings be taken behind the starting blocks. In accordance with the Federal Video Voyeurism Prevention Act of 2004 – the use of camera phones or video recording devices in the locker rooms is prohibited. Use of audio or visual recording devices, including cell phones, is not permitted in the changing areas, restrooms, or locker rooms.
