

Officials Recertification Form

CONDITIONS MUST BE MET ONCE EVERY THREE YEARS

As noted in the Re-Certification of Official's Credentials (referees use different form!):

- In even numbered years, the official will need to complete the re-certification testing form in full after the re-certification testing requirement has been met (or attendance at a re-certification clinic) AND The worked sessions requirement has been met.
 - Officials should go to OTS AND identify how many sessions they worked. There will also be periodic emails from the officials committee indicating worked sessions.
 - Completion of the form and email submission to **ilswimofficials@ilswim.org** by January 15 will ensure no gap in your Deck Certification Level (earlier is better!).
