

Recertification Standards

Recertification requirements must be met every three years.

- The Stroke & Turn recertification procedures recertify S&T LSC certification.
- The Starter recertification procedures recertify Starter and S&T LSC certifications.
- The Administrative Official recertification procedures recertify AO LSC certification.
- The Referee recertification procedures recertify Referee, AO, SR, and S&T LSC certifications.

Junior Stroke and Turn Official

(Age 16-17) (Effective 9/1/24)

When a Jr Official turns eighteen (18), their Jr. ST certification will convert to certified ST once the adult membership requirements have been met. Time as a Jr ST official will convert to the S&T renewal cycle.

Stroke and Turn

(Minimum Age 18)
