16. Coaches Eligibility

16.1. The State Committee encourages each YMCA participating in Illinois State competitive swimming to:

16.1.1. Require that each and every swim coach which it employs have the following four certifications:

16.1.1.1. CPR

ILLINOIS YMCA SWIMMING RULES, RECORDS & BY-LAWS

16.1.1.2. First Aid

16.1.1.3. Red Cross Safety Training for Swim Coaches or YMCA / Red Cross Lifeguarding

16.1.1.4. YMCA Principles of Swimming & Diving

16.1.2. Take the steps necessary to ensure that such coaches' certifications are current at all times during the competitive season. The primary responsibility for obtaining such certifications lies with each individual coach and the YMCA which employs the coach.

16.2. To assist participating State YMCAs and their coaches in obtaining such certifications, the State will use its best efforts to see that there is at least one trainer in each State district, and to publish on the State website the dates for certification classes.

16.3. No coach will be allowed on deck during a District or State Championship meet without a current coach credential card. A valid coach credential card can either be a USA Swimming coach registration card that has a "Y" printed on it or a YMCA coach card that has been issued by the YMCA Group Representative. At the State Championship, each coach will also be required to have a deck pass to be on deck. Deck passes will be issued to YMCAs participating in the State championships by the State Championship Meet Committee, based on the total number of swimmers entered in both days of such championship meet.

16.4. In the event the position of YMCA Group Representative shall be vacant or eliminated, the Secretary of the Illinois YMCA Swimming Committee shall fulfill the duties assigned to the Representative above.
