Concessions Coordinator Chair (Meghan Brescia):
-Concessions look good, trying some other options this year- pizza or pasta
-Goggles and swim caps will be sold this weekend at concessions as well.

Team President (Dan Clasen):
-Open position for treasurer- After sending out email and talking to parents at practices, we are so grateful for the interest that was shown to help the team. There are 4 families that showed interest. Those that were interested and available talked with Dan Clasen to find out more about the role and to see if they were the best fit for this position within the WCS Board. It is a very involved role.

After a strong recommendation from WCS Board President, it was unanimously voted on selecting our new West Chicago Sharks Treasurer, Ryan Uecke, CPA.

Comments: Continue to recruit parents to be officials, we have 3 currently and our goal is to have recruited 10 new for the year.

New Business:
Timing System- need upgrade which will be about 10k they don't make the one we have anymore. Fox purchased what we are interested in, and they got it right away. We always include the HS with any decision.
