Message from Coach Matt
Super Champion

Dear BBSC parents and families,

I wanted to share the 5 Keys to becoming a "Super Champion" from an article "The Research Behind the Mindset of Super Champions" by Oliveria Poirier-Leroy. These are qualities want to develop with our athletes and we hope you help to nurture them as your swimmer grows!

- 1. Fierce desire to overcome challenges.
- 2. Constantly setting new goals and challenges.
- 3. Setbacks tend to ignite hyper development.
- 4. High performers are intrinsically motivated.
- 5. The coaches and parents weren't pushy.
