We are honored to host this premier event and look forward to providing an exceptional experience for athletes, coaches, volunteers, and families.

As you prepare for the meet, we encourage you to take a few moments to review the meet format and other important event logistics included in this welcome packet. Familiarizing yourself with this information in advance will help ensure a smooth and successful championship experience for all.

Parking Details

Parking on the Indiana University campus—especially near the SRSC and Councilman-Billingsley Aquatic Center (CBAC)—can be complex due to IU’s weekday permit requirements. Most surrounding lots are **permit-only during standard university business hours (Monday–Friday)**. Vehicles parked in restricted areas without the appropriate permit may be subject to **ticketing**.

We strongly encourage all attending **families, coaches, and volunteers to review parking information prior to arrival** to avoid confusion or fines.

On Saturday and Sunday, parking is more flexible, and **attendees may park in the lots directly across from the SRSC without concern for ticketing**.
