**Building Better Leaders, Role Models,
and Athletes Since 2018**

- Indiana Swim Club is a local competitive club that invites swimmers of all levels to join.
- The first step is to have your swimmer evaluated by one of our USA Swimming certified coaches! After the evaluation, the coach will place your swimmer in the appropriate group.
- Your swimmer will improve their technique, learn how to compete, and most importantly, join a community of swimmers that are working together as one team.
- Swim lessons are also available.
