

Linking the ISC Calendar to Your iPhone

Go to the Indiana Swim Club website (<https://www.teamunify.com/team/inbscl/page/home>) and navigate to the practice schedule you want to link to your iPhone.

In the bottom right corner of the calendar selected, click on the “Add to Google Calendar” button.

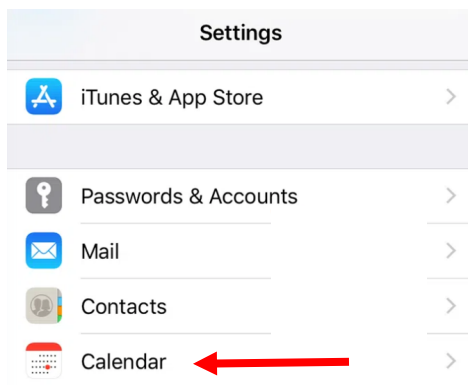

If you already have a Google account, sign in and the swim calendar should be in your Google calendar. If you don't have a Google account, sign up for one.

Enable the Google Calendar in Your iPhone Calendar App

Launch the Settings app on your iPhone

Tap on Calendar

Tap on Accounts. If Gmail is listed, make sure that you have marked the toggle to the ON position next to Calendars. If Gmail is not listed, click “Add Account” and follow the instructions to add a Google account.

Launch the Calendar app on your device.

Tap on the Calendar option at the bottom

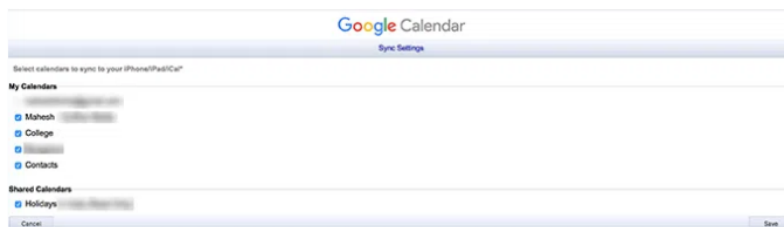

Ensure your Google calendar is tick-marked and then tap Done at the top right corner.

Use the Magical Link to Sync All Google Calendars to your iPhone. By default, only the calendars under My calendars on Google will sync.

Open a browser on your computer and click on the magical link here ([magical Google calendars](#)).

Checkmark all the calendars that you want to sync to your iPhone and click on **Save** to save the changes.
