

Volunteer Rewards Program

Overview

LCA needs volunteers to support club operations and activities throughout the year. Without volunteers, there is no swim team. The volunteer rewards program is designed to reward individuals committing time and donations to the club.

Once you accumulate 25 hrs, you receive a \$25 credit on your account. There is no limit on the number of credits you can earn.

Volunteer Opportunities

Volunteer opportunities vary throughout the year and require various levels of commitment/training. For more information, please visit the “Parent Resources” section of the LCA website to view the “Volunteer Job Descriptions”.

Participation

Meet and event-specific volunteer opportunities are listed in the job signup section of an event on the LCA website or the TeamUnify app. You are welcome to recruit family members and friends to fill volunteer spots. Opportunities are first-come, first-serve.

Some of the operations roles require ongoing time commitments or specific credentials. LCA offers training and support for volunteers interested in pursuing those opportunities.
