

Sports Photography Team & Parent Information

- **Team Picture (Team Pictures will be available on Friday Night During Team Warm-Ups)** Sports Photography (SP) will have two photo stations on deck set up beginning on Friday afternoon. SP will schedule team picture times that are more convenient for the teams coming on Friday to warm up. SP will photograph the remainder of the teams on Saturday morning. Times will be scheduled that can accommodate team warm-up times. SP will also have a booth set up in the upper concourse for late-arriving athletes who wish to be part of the team photo. This same booth may be used to reserve action shots or take award photos. ***Please respond if you are interested in starting your team photo pictures on Friday evening during warm-ups.**
- **Sport Photography will be at the 2026 Mid-States 14 & Under All-Stars Championships to photograph the swimmers attending the meet. They are offering two different kinds of photography:**
 - **Team and Individual Photos:** All swimmers will be photographed individually to compose the team photo; each swimmer will have three individual poses and one pose for the team photo. All photographs will be posted online after the meet for parents to purchase. If you would like to be notified when the photos are available for purchase, please fill out the form following the link <https://link.edgepilot.com/s/0d7178bd/thj-LbJJJUC1ZOChy-kraw?u=https://sport-photography.com/machform/view.php?id=69911>
 - **Action Photos:** We offer action photos by reservation only. Only those who are signed up will be photographed on a first-come, first-served basis. You can select as many events as you like to be photographed; we recommend at least two races to get the best coverage. Proofs posted and ordered online with a 15% meet discount available for 15 days after the end of the meet.
