

## **SPONSORSHIP PROGRAM**

Dear Friend,

On behalf of the Munster Swim Club (MSC), I write you as a valued member of the Region's business community.

MSC is a nonprofit organization of 200+ competitive swimmers: Age Group (6-14), Seniors (14-18) and Masters (18+). In 2015, we accomplished great things: MSC Age Group placed 4th in State Long Course Championships. Munster Masters won 1st place for a small team in the State Short Course Championships. One of our Senior Swimmers qualified for the Olympic Trials! Volunteers, member parents, and our paid coaching staff make MSC one of the best swim clubs in the Region and State. We have the privilege of partnering with Munster High School and practice in the Jon Jepsen Natatorium, the Region's finest aquatic facility.

In the past years, businesses like yours have sponsored our program, helping us to buy training equipment, an awards podium, and record boards. Would you please sponsor us to continue building our program? We have a marketing program that includes seasonal T-shirt logos, banners, scoreboard presentation, website presence and swim meet program advertisements. The attached donation form lists our sponsorship levels.

We appreciate your business. Your donation will help us make Munster the Swim Capital of Indiana.

Sincerely,  
YOUR NAME
