

WELCOME TO MUNSTER SWIM CLUB!

Welcome to the Munster Swim Club,

I want to take this time to introduce, or welcome you back, to the Munster Swim Club! I know that this coaching crew is looking forward to getting you all in the water soon to help continue to foster and help create faster seahorses all around. I personally am looking forward to a very productive season from developmental swimmers through our top training group and everything in between. As always, we will be trying to bring new ideas to the table to make our swimmers FASTER...this is a GOAL of the coaches, and we hope the swimmers and parents are on board!!!

I also would like to WELCOME any new families that are just starting out with us! This is an exciting time for the entire Munster Swimming Program as we have been working for over a decade in the Munster High School OLYMPIC SIZE AQUATIC CENTER. We do offer some of the BEST coaching in the STATE and we pride ourselves on allowing the kids to learn competitive swimming in a progressive way, including new techniques, all while having FUN, making new friends, and SUCCEEDING at the same time!

Please feel free to let me know if you have any questions or concerns over the course of the next week or so and I personally am looking forward to another GREAT (safe!) SEASON as a club! Let's get ready to rock and welcome to the Munster Swim Club!
