- As you know, our club sends out pertinent information via email (2-3 times a week) once the season has begun. Please be sure the email address you provide is one which is checked by you on a regular basis.
- If you will be adding a new swimmer to an existing account, please note that you will have the opportunity to do so after the swim tryout has been completed and a group level has been assigned.
- Please be sure to provide a copy of the new swimmer's Birth Certificate at the swim tryout.
- If you are a returning swimmer, but did not swim during the past season, and your account is not active, please send a message via 'Contact Us' on our website and we will assist in updating your status which will allow you to register online.
