- The club will be doing mulch sales again this year as a fundraiser for the Senior Trip. Please stay tuned for more information.
- If there are any families who would be interested in finding out more information about becoming the team Volunteer chair, Hospitality chair or Concessions chair, please reach out to jeremycox@noblesvilleswim.com.
- Mark your calendars for two future events! The senior group trip is tentatively planned for sometime the week of June 7–June 13, 2021 and the Enchanted Forest meet is scheduled for July 11–13, 2021!

BOARD OF DIRECTORS

- **New Members:** Please join us in welcoming our two new Swimmer Representatives: Cavan Cameron and Katie Kramer.
- **COVID Update:** Within Noblesville athletic programs there has been an increase in cases of athletes transmitting COVID to other athletes versus athletes being quarantined due to outside direct contacts. Administration has not been pleased with how some athletic programs are handling COVID and because of this may be dealing with each program more severely than in the past. Despite this, Aleks has met with the AD and Principal who gave the swim team praise on how we have managed COVID, on our athletes following protocols, and how we have dealt with positive cases.
- **Divisional Championships Update:** Based on the information that has been provided to our club and the restrictions that would be in place from Indiana swimming, Noblesville Schools, and the health department, we have made the decision to pass on hosting this year's Divisional Championship. This is not a decision that was made lightly and was discussed at length at this past Wednesday's Board meeting. Some of the factors that played into this decision are facility space, lane space, and lack of 10 and under access to our home pool at this time. We have consistently alternated years with Fishers and they have graciously agreed to trade us years, meaning that they will host this year's meet, we will host next year's and then continue with the normal rotation with Fishers hosting in the even years and Noblesville in the odd years. Their willingness to work with us and come to this agreement is a testament to the wonderful relationship our clubs have.

COACHES CORNER

This month we are going to introduce one of our Swimmer Representatives - Cavan Cameron!

When did you start swimming?

I started swimming in Middle School after my favorite science teacher said I should give the swim team a try. I have loved swimming ever since.

What is your favorite event/stroke?

My favorite event is the 200 Butterfly.

What is your favorite thing to do outside of the pool?

My favorite thing to do outside of the pool is to work on cars with my dad. I also enjoy auto crossing in the SCCA.

What is your favorite subject/class at school?

My favorite subject in school is Physics because it is a fun challenge and makes me think differently.

Why did you want to be one of the swimmer representatives?

I wanted to be one of the swimmer representatives because I felt that I know everyone on the team well enough to represent them.

What advice or tips would you give to the younger swimmers about swimming?

The advice I would give to the young swimmers is treat everyday as a new day. Yesterday's problems were yesterday, so focus on doing the best you can today.
