CLUB INFORMATION

- **SAVE THE DATE:** Friday, July 28, 2023 from 5-8 p.m. at Noblesville High School's Beaver Stadium. The Noblesville Swim Club will have a booth at the event and we would love to see you out there!
- **Attention!** Coaches will no longer be accepting cash to purchase a swim cap. If a swimmer needs a cap, coaches will provide them with one and then the family's account will be billed. A latex cap is \$6 and a silicone cap is \$15.
- A note from Mike Wright regarding our new photo share site: "Happy to share the new NSC and NHS Swim photo sharing site: <https://www.flickr.com/photos/noblesvilleswimclub/>

If you already have a Flickr account simply sign in and click the 'follow' button. If you don't have an account you will need to sign up first and then click 'follow'.

Once approved, you will be able to see all albums similar to the old Shutterfly site (naming conventions were all carried over). In addition, Flickr allows for grouping albums into folders they call 'collections' which has allowed us to sort albums for quick reference by year/season and club vs. high school.

Lastly, a huge shout out to Mr. Paul Siktberg for all of his time and effort on this migration project and all the work that goes into providing these amazing photos for our swim families."

COACHES CORNER

Get to know Daniel Kanorr, our new Head Age Group Coach and lead coach for the Endeavour group!

What got you into coaching?

Swimming and physical fitness activities like running, weightlifting, and biking, are all things that I enjoy doing! It has been a large part of my life and coaching is an opportunity for me to continue to be in the realm of swimming and fitness training. Fitness is one of my greatest interests and I feel that it has had a positive impact on my life. I would like to try to be a guiding step along the way for younger athletes to pursue their own success!

What is your favorite stroke or event?

Hands down the 50-yard Freestyle! I love the 50 because it is just pure speed! You not only have to be very strong and powerful but also your swim technique and execution have to be on point! From the dive, through the breakout, the swim, the turn, the finish, everything has to be as perfect as you can get it while not breathing and reaching full power... I love everything about it!!!

How long have you been a part of the Noblesville swim club?

This will be my first season with the Noblesville Swim Club! I'm looking forward to meeting new people and forming positive relationships with everyone!

What are some of your hobbies outside of the pool?

I like lifting weights and running mostly, but I also like reading and tinkering with art projects occasionally.

What is your favorite holiday/time of year?

I really enjoy the warm weather and being outside so I really like the late spring/summer time of year! More sunshine is what I like!

If you could travel anywhere in the world, where would you go?

I want to go to Hawaii! You got the sun, the beach, the ocean view, that's my kind of paradise!

In what city/state did you grow up?

I grew up in Connersville, Indiana. It's a small town in mid-eastern Indiana, not too far from the Ohio border. Connersville is about 1 hr 25 min from Noblesville. I actually remember swimming at Noblesville's pool once or twice back in the mid-late 2000's for Divisionals and probably a club meet or two!! Haha I believe 2008 Winter Divisionals was the last time I swam in Noblesville's pool!
