BOARD OF DIRECTORS

- **Pool Usage Fee:** Noblesville Schools has agreed not to collect the pool usage fee for this past season, but suggested we put it towards projects at the pool. The pool usage fee is typically collected to help cover our utilization of the pool and also custodial services.
- **Long Course Registration:** This long course season registration may look a little different than in years past. We are considering opening up registration but not charging families until swim group assignments are made. Once group assignments are made, families will still have the option to pay dues in full or in installments.

COACHES CORNER

This month we are going to introduce one of our Swimmer Representatives - Katie Kramer!

When did you start swimming?

This is my 10th year swimming for Noblesville and I started when I was 7.

What is your favorite event/stroke?

Freestyle for sure!

What is your favorite thing to do outside of the pool?

My favorite thing besides swimming has to be camping and traveling.

What is your favorite subject/class at school?

I love science and I have especially enjoyed the PLTW Biomedical pathway courses at the high school.

Why did you want to be one of the swimmer representatives?

I was inspired by my brother who was a board member 2 years ago and I felt that I could step up and represent the swimmers well after being a part of this program for so long.

What advice or tips would you give to the younger swimmers about swimming?

Work hard and do the best you can, but have fun and enjoy your time on the team. Your best is always enough.
