CLUB INFORMATION

- Calling all future board members!! Every year at our annual banquet in August, we elect two new board members. If you are interested in running for the board, please contact one of our current board members or email info@noblesvilleswim.com for more information.
- For our graduating seniors and college swimmers that will be home over the summer that would like to train with the club during the Long Course season, we are offering a discounted group swim fee of \$200. Interested swimmers must have a USA Swimming membership, be covered by a membership to the Forest Park Aquatic Center, and agree to expectations provided by Coach Aleks for training with the Senior Gold group.
- The Forest Park Aquatic Center is scheduled to have a new video board this summer. We are looking for someone with some creative talent that would be willing to help create advertisements for Noblesville Swim Club to be shown on the video board throughout the summer. If you or someone you know would be willing to help, please let Troy know.
- Molli Cameron and Paul Siktberg continue to post photos from our swim meets and events on the Noblesville Swim Club Shutterfly Share account. To view these photos, families can make a request on the Shutterfly account (<https://noblesvilleswimclub.shutterfly.com>) or email Molli at mec4089@me.com. Swim families are welcome to use the photos for personal use.

VOLUNTEERING

This month we will get to know our Meet Director: Chris Berger!

Chris: My name is Chris Berger, for those of you that do not know me, and I am currently the Meet Director for the club. My family joined the club 10 years ago in 2012 when we relocated to Noblesville. Ellen & I currently have three swimmers. Two of them are with the club and 1 is now swimming in college. Mark is a sophomore at Noblesville HS and is on Senior Gold, Tony is in 5th grade at Promise Road Elementary and is new to Apollo Gold, and Tina is a sophomore at Valparaiso University.

I became Meet Director in 2013 when Ed Parrish asked me to train and take over his role. So, we are coming up on a decade of running meets. In that time, I have also taken on the role Bret Richardson handled of Bob the Builder/Handy Manny. I am the one you see on the pool deck fixing things. Being the Meet Director has been so much fun. Getting to know everyone on our team as well as getting to meet all the visiting Coaches/Swimmer/Officials. I have made so many great friends through the years of running meets.

But my time is coming to an end and I am ready to hand the torch over to the next person who can take the clubs meets to another level. We are currently looking for my replacement so that I will have some time to train them and be available to answer questions as they take over.

Noblesville Swim Club has always had a reputation of running the best meets in the state, whether they be indoor or outdoor. If you think you would be interested in the role of Meet Director or want to learn more about it, please let me know.
